# How You Can HELP KALIDA PARKS

Better Together.

Some employers use YourCause (a part of Blackbaud), Benevity or Double the Donation to facilitate employee community donations. If your employer uses one of these platforms (or any other platform) as an employee donation option, please consider participating and donating to the KALIDA PARK FOUNDATION. Often times, your employer MAY MATCH some, or all, of your donation. We have even seen some 2 to 1 matches! We are registered with YourCause/Blackbaud, Benevity and Double the Donation, therefore, when you choose the Kalida Park Foundation, your donations are forwarded directly to the Foundation. In addition, some companies will do a cash match towards your volunteer community hours through the same platforms mentioned above.

## WANT TO HELP KEEP OUR PARKS LOOKING SHARP?

Can you free up an hour or two from time to time to help tidy up our parks? We have some folks volunteering now, but they could always use more help. We have started a list of possible tasks you might consider. Stop up or contact the Village Office at Tel: 419-532-3899 / email: kalidavillage2@bright.net and see if there might be something that fits you and your schedule.
